We use School and Student Services (SSS) to process financial aid applications. SSS is a service of the National Association of Independent Schools. Based on the financial information you provide, SSS calculates an estimated amount your family can contribute towards your child's educational expenses. This information helps us make fair and objective financial aid decisions. To begin your financial aid application for the 2010-11 school year, follow the outlined steps below.

### ONLINE

1. Starting on November 1, 2009, go to [sss.nais.org](http://sss.nais.org).
2. Click on the prompt to begin your Parents' Financial Statement (PFS). You only have to complete one PFS, even if you have more than one child applying to our school. AIM's ID number is 4415.

4. You will be given instructions about submitting required backup documents by mail. Your documents will be handled with the utmost level of security. To read more about SSS's document security, go to [sss.nais.org](http://sss.nais.org).

#### A New Look at [sss.nais.org](http://sss.nais.org)

Families who have applied for financial aid in the past will see that this website looks different. It uses the same methodology and will require the same information. But we think you will find the interface and on-screen help more user-friendly:

- Clear, step by step instructions
- Ability to begin a PFS and complete it at a later date
- Ability for you to track the receipt of documents you submitted
- Online help to ensure successful submission

*Note: If you apply for financial aid online, your information will be delivered more quickly to our school, allowing us to make a faster decision about your eligibility for financial aid.*
